Weddings in India call for a gala celebration for families and friends. While [wedding](#) ceremonies are orchestrated for a week with grandeur decor and beautiful customary rituals, a marriage is a lifetime commitment. One may get carried away in excitement during the pre-wedding functions and traditions, all of the gratification may fade soon if you end choosing a wrong partner. We all have a long life to go with multiple ups and downs along the way. We all want somebody to hold our hand during the tough times and celebrate with us during the good. Don't we? That's why it is safe and suitable to find a soul mate with whom your thoughts are aligned, your goals are respected and family values are understood.

But we are sure while reading this page, you must be wondering, "Where to find my partner?" or "How to find a partner within the community?" The most important and crucial requirement for a successful and happy marriage is to find a companion with whom your preferences match and who is approved by your family. Don't worry, [Patidar Vivah](#), have your back!

Patidar Vivah is the best marriage bureau in Gujarat. We are a Kadva Patel, Leuva/Leva Patel community's most reliable and [trusted matrimonial site](#) and mobile application. Today there are many matrimonial websites and dating mobile apps where you can come across many profiles. However, are all those platforms reliable? We highly doubt that. At Patidar Vivah we carefully scrutinise all the biodatas and profiles we receive and upload them only upon proper verification. Additionally, you can connect and commit to only those who belong to the Kadva Patel community. This way your marriage gets easily approved by your family without any hassles.

If you are still confused about creating a profile and using the Patidar matrimonial and matchmaking service, we have the following reasons to convince you:

1. **Vast Reach:** A few years, families would search for a prospective bride or groom through word-of-mouth. This way their search was limited to only those biodatas that were circulated and presented to them via their known friends and relative. Today, with the help of Patidar Vivah you can connect with thousands of brides or grooms that belong to the Kadva Patel community.

2. **Easy Registration Process:** Registration with the Patidar Vivah's website or mobile app is a seamless and convenient process. We provide a free registration to all our users. All you have to do is upload accurate information and you are registered. That's all!

3. **Detailed Profiles:** We ensure that every profile is complete with detailed information. For instance, every individual has to add information regarding their

education, career, family, hobbies and preferences. This enables you to get a fair understanding of the person to decide whether you wish to proceed or not.

4.Filtered Search: Through Patidar matrimonial and matchmaking service you can also filter your search. The search filters help in narrowing down your search from a thousands of profiles to a hundred or even lesser. This way you can easily focus only those biodatas which match your criteria.

5.Privacy Control: Patidar Vivah is a safe and secured application. You can share information with on our portal without any worry. We assure that whatever information you share with us will be kept confidential and not be transferred to any third-party application or website. Without your permission, we will not share your personal information. You can rely on us.

6.Parent-Friendly: Since this a community matrimony service, you already have a go-ahead from your parents. However, if you do not have the time to search for profiles, your parents can easily use our website or mobile application. The interface of our portal is parent-friendly and simple to navigate.
